

Godrej Chest Freezer bags Best-In-Class Innovative New Cold Chain Project

Centre: Mr. Rajinder Koul, Product Group Head, Chest freezers receiving the award on behalf of Godrej Appliances.

The 4th Cold Chain Industry Awards, 2018 are presented by Future Supply Chain, which are a part of the 7th Cold Chain Strategy Summit.

Godrej Appliances won the award for being the first organization to equip all their Chest Freezers with eco-friendly refrigerants (R290 or R600a). The Godrej Chest Freezers are the most energy efficient in its class with 40% more power saving resulting in an annual power saving of up to Rs. 5000.
