

Godrej Appliances bags ‘Machinist Super Shopfloor Award’ for Quality for its Mohali unit

June 2018 – Godrej Appliances, one of the leading brands in the Home Appliances space in India, received the prestigious ‘The Machinist Super Shopfloor Awards 2018’ in the category of ‘Quality’ for its Mohali manufacturing unit. The award was presented at a glittering ceremony in Sahara Star, Mumbai on 31st May 2018.

Organized by Worldwide Media (WWM), the magazine subsidiary of The Times of India Group (BCCL), ‘The Machinist Super Shopfloor Awards’ has been noted to recognize the ‘Best in Class’ performance on the shopfloor in the manufacturing industry. Nominations were invited by shopfloors under ten different categories like safety, productivity, innovation, digital manufacturing, machining excellence etc. that address the key measurable parameters for a manufacturing plant’s performance.

Acknowledging the award, Mr. Hussain Shariyarr, Manufacturing Head - Godrej Appliances said, “We believe awards such as ‘Machinist Super Shopfloor award’ are a great source of encouragement. Awards like these boost our confidence and propel us to move forward in our journey towards manufacturing excellence through Total Productive Maintenance. Such prestigious recognition impels us to continue improving the brand experience for our consumers through best in class offerings.”

The Machinist magazine has instituted the ‘Machinist Super Shopfloor Awards’ to recognise the good work done by companies in improving their shop floors. As per the process of the competition, manufacturing shop floors were required to show improvements under 10 different criteria namely – Safety, Productivity, Digital Manufacturing, Innovation (Product/Process), Green Manufacturing, Machining Excellence, Quality, Human Resources (HR), Corporate Social Responsibility (CSR) and Supply Chain Management.
