

## Godrej Appliances awarded the “Platinum GreenCo” certification by CII for Shirwal and Mohali manufacturing unit

Godrej Appliances awarded the “Platinum GreenCo” certification by CII – received in 2015, revalidated in 2019 for Shirwal and Mohali manufacturing unit.

CII Green Co Platinum is the highest recognition for any manufacturing company for its efforts towards ecologically sustainable growth. In 2015, Godrej Appliances became the first and the only manufacturing company in the country to be so honoured.

The Confederation of Indian Industry (CII) has always worked and strived to create & sustain environment that is conducive to the growth of Indian industry. CII has changed the industry’s nature of doing business and assists industries to do it in a sustainable way. This led to the birth of the GreenCo rating system. The “Platinum GreenCo” is the highest rating awarded by CII to recognize the most “Sustainable” models in the manufacturing and services sector.
